Correspondence of 5/31/2005 from Michael J Fisher

Dear Mr. Fisher,

Persuant to the instructions in your letter, I elect to choose the second species, claims 5 and 8, for prosecution, without traverse (which I understand to mean that I do not dispute your determination that 1 species must be selected).

If something is unclear or should you have any suggestions, please do not hesitate to contact me by email, phone, or letter.

Note: My letter of June 21, 2005 to you appears to have been lost. This letter repeats its content. Please note the Certificate of Mailing on the second page. I request an extension of 1 month's time under 37CFR1.136 A payment for \$60 is enclosed.

Sincerely,

Philip Hurzeler
